## Materials Needed

- Easter Basket or something similar
- Paper pieces containing names of Easter clues
- Timer
- Coin
- Something to keep the score so the group can see the points

## Preparation

1. Print and cut out the clues and put them into the Easter Basket - these can be found on the following page (if you have no printing facilities you can write them out)

## How to Play

1. Put the Easter charades clues into the Easter basket
2. Divide your group in two teams (you can play this with 2 people also – just play against each other)
3. Flip the coin to see which team goes first
4. A person from the winning team picks up a clue and tries to help his team guess the word(s) by acting it out see below for charade tips

**Note:** If the clue is too difficult for the person allow them to choose again there's plenty there

5. Set a time limit for the charade
6. If the team/person guesses correctly, before the time runs out, they score a point
7. Now the other team/person have their go
8. The team with the most points wins
