

## ENVIRONMENTAL CONSERVATION

## How to earn your badge...

1. Find out about an environmental issue that is important to your local community. It might be linked to:
  - recycling and conservation
  - energy efficiency in the home or your meeting place
  - the building of new homes and local land use
  - water, light, thermal, air or beach pollution
  - coastal erosion
  - the impact of tourism on the local environment
2. Take part in an activity or project that improves local conservation. It could take place during a weekend conservation camp or you could spread it over at least five weekly sessions.

You could look at:

- recycling
  - reducing energy usage or renewable energy
  - protecting important habitats or wildlife
  - pollution
  - erosion
  - flooding
3. Get involved in a campaign to make others aware of an environmental issue. You could write to your MP and other local agencies or speak to a community group
